

Dear Valued Stacy Cakes Customer,

Congratulations on your upcoming wedding!! This is such an exciting time for you, and I am looking forward to being a part of your big day! We bake all of our cakes fresh for each order, so you will receive nothing but top quality when ordering from us. In the following section of this letter you will find necessary items pertaining to ordering wedding cakes from Stacy Cakes.

We, at Stacy Cakes, prefer at least three weeks' notice when ordering, but there is not a limit to how early you can order! A non-refundable deposit of **\$50.00** is required to hold the date. This deposit will come off the total due for your cake prior to the big day. We do not require return of any boards or equipment! Our special way of saying, "Enjoy your day and don't worry about having to get stuff back to us!" Now we will move on to cake pricing.

Our wedding cakes consist of three layers per tier, filled with smooth, creamy buttercream, or a frosting/filling of your choice. For buttercream frosted cake, we charge \$6.00 per serving. If you would rather us cover your cake with fondant, we would be glad to, starting at \$8.00 per serving. If you want décor on the cake, such as, ribbon, bling, gum paste flowers, a topper for the cake, etc., either you can provide the items you want within 72 hours of your big event, or we can purchase the items for you and add it to the price of your cake. Base prices include buttercream frosting as the filling for each tier. Other fillings are available for an extra charge. Lastly, Wedding cakes are required to be paid in full no less than three (3) days prior to delivery/pickup. Now that you have the basics, it's time to pick a flavor, or flavors for your cake!

There are so many wonderful flavors to choose from! You could go with the traditional white, or choose from any of the variety below:

Yellow/vanilla, chocolate, German chocolate, lemon, strawberry, red velvet, carrot, pumpkin, banana, any flavor swirled, marble. If you have something else in mind, just ask and we will do our best to accommodate you! Many couples choose a different flavor for each tier, and we can help you choose the option that will best meet your needs! Just as there are many cake flavors, our buttercream can be flavored to balance any cake and make taste buds happy! We also offer fudge frosting, cream cheese, and refrigerated whipped topping. Ask us about the wonderful fillings we offer!

\*We happily offer wedding cake consults/tastings! **Cost per consult/tasting is \$35.** If you decide to order from us, this fee will be deducted from your order total.

That was a lot of information to take in! Please take your time to read over it and ask any further questions you may have. We are always happy to assist in whatever way we can! Again, we thank you for choosing us to help make your big day unforgettable!

Most Sincerely,

Stacy
